# Report of Superintendent

To the School Board and Citizens of Chatham

The following are attending Fryeburg Academy:

Caroline Gosse	Elaine Anderson
Betty Haggerty	John Chandler
Richard Hill	Richard Eastman
Ronald Hill	Lolita Emerson
Clyde Wiggin	Ralph Emerson
Lyle Wiggin	Elizabeth Emerson

The interest and effort by Miss Lucretia Chandler and Mrs Edna Pitman, in studying the latest methods is a definite indication of their excellence as teachers. Both are superior instructors and could secure positions at much higher salaries.

Miss Julia Cox, R.N., school nurse, is constantly alert to safeguard and improve the health of the pupils.

Many districts in New Hampshire are studying the Co-operative District organization, and such a study might reveal some financial and educational advantages to Chatham.

HAMMOND A. YOUNG

Superintendent of Schools

## REPORT OF THE FOREST FIRE WARDEN

---

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

1948 FIRE RECORD—Number of fires, none; acreage burned, none; number of fire permits issued, 1.

Respectfully submitted,

S. H. BOOMER

District Fire Chief
